

**Item No. 560150 - SOL-FLEX 3/4" 2-in-1 Flexible Stainless Steel Lineset**

**560151 - 3/4" SOL-FLEX to 3/4" BSPP female fitting**

**560152 - 3/4" SOL-FLEX to 3/4" BSPP male fitting**

- » UV Resistant, Separable Polyamide braiding
- » AISI 316L Flexible Stainless Steel Hose DN20
- » Silicone insulated sensor wire cable
- » EPDM Rubber Insulation
- » Cut to custom lengths

**Engineering Description**

The SOL-FLEX lineset is an Open Pitch DN 20 Stainless Steel flexible hose with 3/4" EPDM rubber insulation. This is covered by UV Resistant Polyamide braiding.

Lineset Properties:

**Insulation Temp. Range:** -40 - 302°F (347°F Peak)

**SS Hose Temp. Range:** -100 - 600°F

**Inner Diameter of SS Hose:** 13/16"

**Polyamide Braiding Temp. Range:** -76 - 356°F

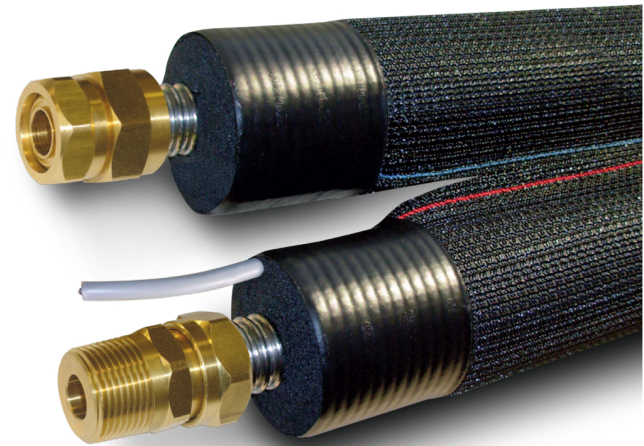

**Outer Diameter of Each Line:** 2 3/8"

**Width of Dual Lineset:** 5"

Connector Properties:

**Connections:** Quick Set to 3/4" BSPP (Male & Female)

**Material:** MS 58 Brass

**DN 20 Stainless Steel Hose Pressure Drop Curve**
