Section 5: Experience

Please outline why you want to become a Silicon Solar Dealer.

How can you contribute to Silicon Solar beyond simply sales (contacts, knowledge, industry standing, introduction of products into niche markets)?

What other solar companies are dealing in your area?

Do you have an established network through which you currently sell products? If so, please describe and provide examples if possible.

What volume of product by sales and/or pieces do you forecast selling with you existing resources?

Will you require a sample purchase for product demonstration and training?

Please provide any additional information that may be useful for us to determine your capacity to become a dealer of Silicon Solar. Please provide practical examples if possible.

Thank you for your application! Silicon Solar will deal with all applications on a first come, first served basis. You will be contacted shortly with information regarding your application. If deemed a potentially suitable candidate, a representative will contact you to discuss the next steps, and/or to potentially arrange a meeting and inspection of your operation.

I certify that the information provided in this application is true and correct to the best of my knowledge and belief and understand and agree that I have a continuing obligation to advise Silicon Solar if there are any changes in circumstance.
